COLLECTIONS – USING THE QR CODE

A link will appear on your screen—tap it to be taken securely to our parish giving page, where you can make your offering quietly and easily. You may also choose to scan the QR code before or after Mass if you prefer. All donations made via the QR code are processed through a secure and trusted giving system, and your personal and payment details are protected. Your participation in the Offertory remains a meaningful part of our worship, however you choose to give. Thank you for your continued generosity and support of our parish.
