### FATHERS DAY

Today is Father's Day and we hope all fathers and grandfathers have a lovely day and are appreciated for all they do for their families.

### POPE LEO TWEET

Having become our brother, the Son of God looks at the people; He looks at humanity and sees the oppression that burdens and the violence that causes strength to fade. He sees the wounds of war and the emptiness of consumerism. He sees faces reduced to masks, families torn apart by evil and young people misled by false ideals. Jesus sees and loves. He loves and suffers for and with us; His compassion expresses not only fraternal closeness, but His desire to redeem.

### SECOND COLLECTION

Next week the second collection is for the Holy See. It is for Peter's Pence, a worldwide collection that supports the charitable work of the Pope. It helps victims of war, oppression and natural disasters as well as supporting the work of The Holy See.
