COLLECTIONS – USING THE QR CODE

We understand that many people no longer carry cash. However, you can still take part in the Offertory by using the QR code. At the time of the Offertory during Mass, simply take out your smartphone and open the camera (or QR-scanning app). Point it at the QR code shown in the bulletin.

A link will appear on your screen—tap it to be taken securely to our parish giving page, where you can make your offering quietly and easily. You may also choose to scan the QR code before or after Mass if you prefer. All donations made via the QR code are processed through a secure and trusted giving system, and your personal and payment details are protected. Your participation in the Offertory remains a meaningful part of our worship, however you choose to give. Thank you for your continued generosity and support of our parish.

The bishop is now keen that this is developed into a practical resource for parishes. We are looking for volunteers to assist in the setting up, and administration, of the initiative. This could be for a few hours per week or days. For more information, please contact Deacon Robert von Hawrylak on caritasclifton@cliftondiocese.com.
